Dear Mr Brown

On behalf of the team here at the Lincs and Notts Air Ambulance I would like to thank you and everyone who contributed towards the generous donation of £310.52. Please find enclosed a certificate in recognition of everyone's kindness and generosity.

Your donation will help to ensure our Air Ambulance is available to respond to some of the most serious 999 calls every year including road traffic collisions, cardiac arrests, sporting injuries and farming accidents. So far this year we responded to more than 205 of these emergencies involving both adults and children.

Later this year we will be extending our hours of operation and starting to fly 24-hours a day, 7 days a week, making donations like yours more important than ever as our operational cost rises to £4m per year. We anticipate this will enable us to attend approximately 450 more potentially life-threatening emergencies every year – saving even more lives!

Thank you once again for your support of the Lincs & Notts Air Ambulance. It is only thanks to donations like yours that we can keep the Ambucopter in the sky, saving lives 365 days a year.

Kind Regards,

pp

Dear Mr Brown

On behalf of the team here at the Lincs and Notts Air Ambulance I would like to thank you and everyone who contributed towards the generous donation of £680.00. Please find enclosed a certificate in recognition of everyone's kindness and generosity.

Your donation will help to ensure our Air Ambulance is available to respond to some of the most serious 999 calls every year including road traffic collisions, cardiac arrests, sporting injuries and farming accidents. So far this year we responded to more than 527 of these emergencies involving both adults and children.

Later this year we will be extending our hours of operation and starting to fly 24-hours a day, 7 days a week, making donations like yours more important than ever as our operational cost rises to £4m per year. We anticipate this will enable us to attend approximately 450 more potentially life-threatening emergencies every year – saving even more lives.
