Dear Malcolm,

Please accept this as letter as safe receipt and thanks for the kind donation of £150 which you recently made to St John Ambulance in relation your event at Jubilee Park earlier this year.

Nothing is more tragic than a life lost needlessly. Yet every year, too many people die in situations where first aid could have given them the chance to live, St John Ambulance is committed to reducing this number. We're going to do it by delivering first aid at events in our communities and by teaching first aid to as many people as possible. We're also working hard to increase awareness of first aid, like in our recent TV and social media campaign.

First aid is such a simple skill, but it has an incredible impact. We want everyone to learn it, so that they can be the difference between a life lost and a life saved

Here in the East Midlands, we're leading the way. With your help we can do even more in our schools and in our communities, so thank you

Should you wish to know more about the work of St John Ambulance please do not hesitate to contact me on 0303 003 0103 / sarah.gerrard@sja.org.uk

Yours sincerely
