Dear Malcolm,

Thank you so much for the generous donation of £400, your support is vital to our charity and keeping our responders on the road, saving lives across Lincolnshire.

Your donation has helped our 700 LIVES first responders to be there for thousands of people across Lincolnshire. We know our responders have made a difference to the lives of so many people this year and, for the part you've played in keeping our responders on the road, I'd like to extend a warm and heartfelt thank you.

Perhaps less known is the work of our 70 volunteer medics who deliver advanced medical care of the kind usually seen in a hospital or A&E department at the roadside because we know some patients won't make it to hospital without our help.

However, for every patient we see, we know there are many more patients we simply cannot get to. Each year we have to raise just over £1million to keep our responders on the road and your support will go a long way to helping us to reach more people in time of greatest need during 2019 and beyond.

Thank you once again for your invaluable support.

Chief Executive
